TE AU O TE KOOPUA®

A community co-working, hot desk and meeting space, designed to facilitate and encourage networking and collaboration amongst organisations striving to do good in West Auckland and beyond.

Why us?

Based in the heart of Henderson, Te Au o Te Koopua is a unique offering of resource sharing services in the West Auckland community sector. With short and long term leasing opportunities, our comfortable modern offices are ready and waiting to welcome you. To join us is to join our community of positive, innovative, and cohesive organisations, working to make a positive impact in West Auckland and the world beyond.

What is community co-working?

Community co-working is an exciting, affordable way to develop and encourage networking, innovation and collaboration. Whether you're looking to move out of your home office, to offer your team the benefits of a larger community, or looking for opportunities to network and build your organisation's impact in the West, we invite you to make use of the wider features of joining us:

- We can offer our grants assistance and have options for fundholding to make accessing grants easier
- We provide the opportunity to leverage our longstanding experience and relationships to build capacity, enhance existing networks, and share our knowledge
- Kitchen and shower facilities, including tea, coffee, and fresh fruit
- Use of our larger meeting rooms as available
- Shared community lunches

We take care of professional cleaning, have storage space, offer printing, WIFI and parking options, and welcome the use of our bike stands and quiet pods.

With casual hourly rates starting at just \$11.50/hr or permanent/long term co-working rates from \$300/month, get in touch with us on info@communitywaitakere.org.nz to secure your desk today!

Our Name

Te Au o Te Koopua is a name gifted to Community Waitākere by tangata whenua Te Kawerau ā Maki, and we are incredibly honoured and humbled to have been bestowed with it. The community space we lease sits on ancestral land where iwi gathered to support each other, just as we do in our community development mahi today. It is a place that holds great mana and we respect that through our close relationship with iwi, kaimahi, kaumatua and kuia of the area, and through our kaupapa.
